

Apply to join our local team of incredible volunteer supporters with our Children and Young People Bereavement Service.

We urgently need to train more supporters in the local area to meet the increasing demand on this vital service. Will you help us to offer support - and give hope - to families who are struggling with the death of someone close?

Did you know that you don't need to be a counsellor to apply for this training? The course is open to those who have experience of working with children and young people, and/or interest in furthering skills in working with bereaved children and young people.

The overall aim of this course is to provide trainees with a supportive context in which they can develop those theoretical, conceptual, and practical skills and insights, which will enable them to become highly competent supporters of bereaved children and young people and their families/carers.

You will receive full training with the course being delivered from 10am - 4pm over Zoom on the following dates:

- 31 August & 1 September
- 14 & 15 September
- 5 & 6 October
- 2 & 3 November
- 16 & 17 November
- 20 November & 1 December

All six weekends need to be attended.

Please note: This course is **NOT** accredited by an external body.

If you are interested in applying for this volunteer role, further information can be found here:
